BOARD POLICY

No. 5135

**RE: Student Eligibility for Extracurricular Activities
Students**

Adopted: 10/7/2003

Approved: 10/6/2015

The Bloomfield Board of Education recognizes the valuable learning experience to be gained by students who participate in extracurricular activities, including interscholastic sports. However, the Board also recognizes that academics are of paramount importance to students. The Board directs the Superintendent and the administration to develop regulations and guidelines to ensure that academics take precedence over any other activities.
